

# OXYGENATING

The featured of OXYGENATING helps deep cleansing, excess oil, removes dirt and makeup build up.

A subtle tingling sensation awakens the complexion to create a perfect canvas of bubble for other skin care applications and makeup.

## O<sup>2</sup> BUBBLY MASK

### DESCRIPTION

SKIN WILL APPEAR SOFTER, SMOOTHER, HEALTHIER, AND MORE YOUTHFUL, AND THE LOOK OF FINE LINES AND WRINKLES IS VISIBLY REDUCED.

A refreshing mask that instantly bubbles on your skin for an invigorating, deep cleansing, purifying and producing visibly brighter complexion.

30ml (1.01fl.oz.US)

DEEP CLEANSING  
& BRIGHTER COMPLEXION

Allantoin	Anti-inflammatory, Anti-allergic	0	0	1
Sodium Hyaluronate	Moisturizer	0	0	1
Glucose	Moisturizer	-	-	1

Safety index from 1 ~ 10, the lower number means this ingredient is low hazard. Unlike comedogenic and irritation, Safety is a comprehensive index focus on safety on long term usage, according to harmful report from CIR, RTECS, FDA and other related information. The purpose of the index is more inclined to assess whether long-term injury of skin, cells or the human body.

Our data source include international experts, institutions and publications. **If any the three column is blank, this means there is no data (not indicate the ingredient is safe or unsafe).**
